

PTA Meeting Minutes, 1/14/2025

[Slide Deck](#)

Review of Agenda

Meeting Minutes

- New PTA Board
- Role of PTA
- Reviewed and Approved our proposed budget
- Reviewed ways for families to get involved
- No kids socials

**Motion to approve meeting minutes from previous meeting-
approved**

Treasurer Update

- Big picture- We are right on track!
- Spent money on spirit gear, professional development, staff appreciation, field trips, tax filings, and many more!
- Successes- Piloted business sponsor program, employer matching program
- Searching for more ways to spend money!
- We are close to purchasing more spirit gear!
- We have been excited to fund teacher appreciation endeavors
- We have funded lots of professional development
- We are working on writing grants for 4th and 5th grade field trips- and will continue to help fundraising endeavors
- We have been able to help fund a couple of staff and student crises
- We may go over 50K in revenue this calendar year. This will lead to a new tax bracket

Ways that we have used our funds so far- See Slide

- Thanks to Jessica Blundo for organizing and coordinating the Dine out Days

- Comments from Samira Wellmeyer- How can we use funds to support what the transportation woes.

- Boyce- Feed drivers, gift cards, etc. If the PTA can support the emergency Uber costs, that would be great!

Ideas for Using PTA funding in the future

- Some sort of crosswalk area where parents cross over for the 4th and 5th grade pick up near the amphitheater

- We need to address some unsafe areas of the sidewalk

- We will continue to support the SOAR Week

- We can fund ongoing teacher needs. Please ask!

- The district did a needs analysis with playground needs- PTA may be able to fund something additional, but it's very expensive!

Principal Boyce's Message-

- Thank you for everything

- Thanks for providing opportunities like NBCT!

- Thanks for the holiday party, staff breakfast, staff meeting food, etc!

- New hires! Yay (see the slide presentation!)

- Mr. Boyce highlighted school data and celebrations and community partnerships (see slide presentation)

- School Improvement Goals (See slide)

- Academic Goals
