

Final PTA Meeting 2024-2025 School Year

May 21, 2025

Agenda

- 1) Hello + Overview
- 2) Action - Approve Minutes from May Meeting
- 3) Budget Update
- 4) Year in Review
- 5) 2025-2026 Board Vote
- 6) Update from Principal Boyce
- 7) Volunteer Appreciation May 29 at Solera

Meeting Minutes Approval

We are required by our bylaws to review and approve the last meeting's minutes, which are posted on the PTA website.

Our last meeting was March 5, 2025.

All members can “approve” by saying AYE or typing Approve in the chat.

Approve March 2025 Meeting Minutes

- Nathan opened meeting.
- Meeting minutes approved.
- budget update: total is actually \$30k (not \$41,711)
 - Dine out days have been really successful and helpful
 - Sara Miller ordering more merch with new logo! Thanks!
 - PTA has been able to approve all staff requests to date. Staff appreciation is tracking as predicted.
 - Field trips: our challenge. Unsuccessful in securing grants.
 - Needs: CPA to help file taxes. Over the summer
 - Graham will take lead on october fundraiser next school year, no matter who the treasurer is.
 - Share field trip fundraising opportunities with neighborhood listservs.
- Nomination Process for roles next year.
 - Nominations in by may 7
 - Board to vote on positions may 21.
 - Its fun! We need you!
 - Review of PTA Board Member roles - President / Secretary / Treasurer / VP Teacher Appreciation / VP Comms
 - Lots of committee roles too!
- Update from Principal Boyce
 - Principal Boyce thanked PTA board. PTA works autonomously but in great communication with admin
 - Wonderful turnout at BHM program last week. Ms Lloyd did a beautiful job! A wonderful event. And grateful to the parents that volunteered.
 - Thanked those that helped with media center cleanup. EL and intervention groups meet in media center. Ordered dividers to give them classroom space / meeting space in there. Updating media center to make it more user friendly.
 - Thanked pta – cleaned storage closet across from the main office.
 - OM team – won first place! And going on to states!
 - Last year – two teams placed second place.
 - This year – three teams, 7 volunteer coaches. 3rd grade team, 5th graders, 3rd and 4th combo team. First place this year in first round.
 - Week at the Creek coming up. Specials team did a great job last year! Making adjustments for this year. Will be great!
 - Soar week march 24-28. Soar inclusion and disability. Committee meeting that includes parents and staff. Weatherly is coordinator. Lots of wonderful community contributions (guest speakers, etc.)
 - Academically - last couple of weeks hard with the weather snow days! Hard to get students back into routine. Looking forward to more consistent weeks and days ahead! Give teachers love and messages! Encouragement!
 - Middle of year data school wide – we are on track as compared to last year. Lots of great work going on everyday. Last three big months of the year!

- Field trip - really appreciate the support! PTA reduced cost last year. FV build the kids up to really excite them for 4th and 5th grade BIG trips. Rest of grades have more local, affordable trips. And we will scholarship students who need it. We appreciate the rally around the 4th grade.
- Dine out day - Alpaca March 15
- Staff breakfast - provided by K and 1st grade families. March 21
- Week at the creek – need: Coolers, Daily Truck Transport, Volunteers
- Multicultural night - in late april. Evening activity. Can echo many of our multicultural nights of years past.
- Final pta mtg of the year - May 21. Likely zoom as well.
- Laurie Desch - had such a great year with OM! But some parents graduating off to middle school. More coaching opportunities next year.

Nathan closed the meeting.

What a Year!

We Focus Our PTA Efforts on Four Key Themes

#1

People Power

FVE teachers and administration are busy supporting students in the classroom - but there are still lots of opportunities for families and friends to get involved and volunteer their time for FVE! We will help coordinate and leverage the FVE community.

#2

Staff Appreciation

A strong FVE family starts with well-supported teachers and staff. We provide funding for supplies, PD and educational grants. In addition, we sponsor a series of breakfasts, lunches and treats to keep your bellies full and motivation high.

#3

Community Building

We fund and organize events that promote school spirit, bring families and staff together, and build excitement about the school.

#4

Student Activities + Support

Whether it's making sure every student gets a book during our annual Book Fair, supporting the Science Olympiad or making sure all kids have winter coats, the PTA is ready to step in and help!
